

# Combined Federal Campaign of the CSRA 2010 Report to the Community *Commitment for Community*

## Letter from the Chair

Once again, in 2010 federal employees in the Central Savannah River Area (CSRA) gave generously, and pledged more than \$726,972 to benefit a wide range of charitable programs through the CSRA Combined Federal Campaign (CFC). Despite the challenges of our current difficult economic times, their generosity will have a powerful positive impact in the lives of countless people, including children and families in need, the hungry, the homeless, the sick, and the disabled, and will also help to improve the environment.

With the help of hundreds of volunteers who served as Loaned Professionals, Campaign Coordinators, and Key Workers, the federal employees in the CSRA are **“Caring for our Communities.”** On behalf of the thousands of non-profit organizations which will benefit from this campaign, the Leadership Committee sincerely thanks you and your co-workers for your generosity.

Sincerely,

**Sherry L. Southern**

*Chair*

Combined Federal Campaign of the CSRA Board of Directors  
U.S. Department of Energy - Savannah River Site

## Special Developments of the 2010 CFC

The Combined Federal Campaign would like to thank all of the more than 3,800 men and women in the Central Savannah River Area for their generosity in contributing to this year's campaign. We also would like to recognize the Department of Energy for running a model campaign with over 75% employee participation and campaign donations representing 20% of the overall CFC campaign total. We would also like to recognize the U.S. Forest Service for having the greatest overall dollar amount increase for the 2010 campaign with an increase of 128% over their 2009 campaign total.
