

## 2016 LETTER FROM THE CHAIR

---

What a privilege and an opportunity it is to serve as the 2016 Chairperson for the Local Federal Coordinating Committee (LFCC) for the Central Savannah River Area (CSRA) Combined Federal Campaign (CFC). As a federal employee and a representative of the Social Security Administration office, I fully understand the mission of restoring, maintaining, enhancing and preserving the lives of citizens across our nation. As a servant, I am proud to be able to perform this mission through the Central Savannah River Area CFC. The CSRA CFC has been allowing federal employees in this region to give too and support local, national and international charities for over 20 years and it is an honor to work with an organization with such a longstanding record of success.

Currently in our campaign region we have 17 active federal agencies that use the CFC as their way of keeping the community strong. Out of those 17, we have 11 members on our LFCC board that help to guide the CSRA CFC and provide representation from their federal agency. As one of the 11, I am indeed grateful to lead and serve alongside each of them.

As we prepare for the 2016 campaign, your LFCC has gone through the detailed work of approving charities, completing audits, making awards and fiscal decisions all to make sure this year is as successful as the rest. Please continue to revisit our website as often as possible for up to date news and dates regarding the CSRA CFC. If you have any questions, please feel free to contact our CFC Coordinator, who will be happy to serve you. As always, looking forward to a great CFC year!

Sincerely,

Tony Williams
